Born: 19/03/2015 Colour: Silver Tattoo: 4W L4

Genetic Conditions: CAI AMU NHU

Sire: MELALEUCA GHANDI G112 (PB)  
MELALEUCA MINNOW Z95 (PB)

Dam: WOODBOURN SALLY G19 (PB)  
WOODBOURN SALLY C83 (PB)

NOTES: What an absolutely superior bull to start the sale! Length, thickness and butt shape are outstanding. His growth figures are very very good, and he has some of the most sought after fat figures you could find anywhere combined with a very high retail beef index. Well above breed average for indexes. This bull was used as a joining sire in the spring of 2016 with great conception results.

NOTES: As with Lot 1, this outstanding bull was used over heifers in the spring of 2016. Long and very smooth with great visual muscling and neck extension. Moderate birth, high 600 day and good milk figures are combined here with outstanding fat EBV's. Those breeders looking for fat in their herd, need to check this lot out.

Rarely do we offer these types of cows that have low birth weight, positive fats and above breed average for milk. A very good unit. This calf at foot is exceptional and will, I believe, grow into a potential show winner. Silver female calf at foot, Woodbourn Miss Peggy M91, born 08/09/2016, tattoo 4W M91, Sire Big Park King Island. Depastured with Ayr Park Hugh H77 from 19/10/2016 until 12/01/2017. PTIC

Born: 18/09/2011

Colour: Grey

Tattoo: 4W G115

Genetic Conditions: CAI AMU NHU

**NOTES:** A very feminine correct female with a lovely long calf at foot, the youngest calf in the offering, who I am sure will grow on. This cow is one of those very good styles of females, who could be matched to a number of bull types, and not let you down. Again, low birth weight, high growth and very good EMA. An outstanding breeder with excellent milk EBV, as shown by her udder development. Silver female calf at foot, Woodbourn Miss Penelope M131, born 06/10/2016, Sire Big Park King Island. This cow calved very late and we left her empty to suit autumn or early spring calving in 2018.

**NOTES:** This last cow has been at Woodbourn for a long time. She has been a magnificent breeder for us over the years, as can be seen by her calf at foot. She hurt her back in the joining process last year, which does take her looks away from her, but she is an outstanding cow with outstanding carcass EBV's. Her very very nice calf at foot is showing the muscle pattern and softness that is required.
